## LORDS OF THE RAGNAROK

Monster Variety Pack

RULEBOOK

**COMPONENTS:** 

**4 MONSTER ARTIFACT CARDS** 

**4 MONSTER MINIATURES** 

**4 MONSTER TRAYS** 

RULEBOOK

This expansion introduces new vicious Monsters that player can add to the game for even more replayability. To do so, add all new Monster trays and Monster miniatures to the base game of Lords of Ragnarok. During step 7 of the Setup, players randomly draw Monster trays or choose ones they want to play with (whichever they prefer).

Note! There always must be exactly 6 Monsters in the game (pairs with 3 different Rune symbols).
